

## Grains of Sandy June 2024

It's been a busy spring getting camp ready and now the only thing missing is YOU! Camp just isn't camp without the people, and you're it.

Summer for us truly begins in ONE week when all of you start your descent upon Sandy Island.

We are excited to see you laugh and play and hear all your stories from this past year. Check out some what we've been up to...

New roof on the Craft Shop

New roof on the Little Red School House

Tennis courts are ready to GO!

## New floors in South Lavatory

As we begin the 125th camping season everything will be centered around this amazing feat of longevity for our camp.

There will be t-shirts, trivia, scavenger hunts and more, all in celebration of the gift of Sandy Island.

And while being here at Sandy is THE BEST way to celebrate 125, we also invite you to join us in November on the Spirit of Boston for one last evening to enjoy each other this season. Learn more and purchase tickets [here](#).

As you begin preparing for camp, check out this link with answers to many of your questions. This [camper resources page](#) was created especially for you and will be updated throughout the summer. This page also has links to our Facebook group as well as many camper-coordinated week specific Facebook groups if you would like to start following us on Facebook!

Many thanks to week 3 camper, Bobbie Suratt! Bobbie has created a new painted map of Sandy Island! It will be hanging on the bulletin board near the dining hall where the old one used to live. Thank you Bobbie!
