

Pleasant Valley Camp Songbook

Summer 2023

Notes

This is the latest version of our ever-evolving song collection, and we know there are many different versions of the songs we've included here. Some song lyrics have evolved over time, and we've made intentional edits to others to be kinder or more inclusive to everyone in our camp community.

A few songs include word options based on personal preference. In our traditionally religious songs, the words "God" or "Lord" can be swapped for "Love" or "Earth" for anyone who prefers to do so. Any traditionally gendered terms can be swapped for gender-inclusive language ("friend", etc.) for anyone who prefers to do so.

See errors, or have songs to add? Please reach out to camp leadership or staff. Thank you!

Acknowledgements

This songbook, like everything we do at camp, couldn't possibly exist without the enthusiasm and efforts of dozens of members of the Pleasant Valley Camp community. You could argue that everyone who's ever been a camper, staff member, or volunteer at camp has contributed to the ever-evolving collection of camp songs and the many different variations of those songs. This is an updated version of the book for Summer 2023 and Pleasant Valley's 55th Reunion in 2023, but it's a living document that will continue to grow.

If camp songs are what can connect an eight-year-old junior to their nineteen-year-old counselor and both of them to the hundreds of PVC alumni from the last five decades, then this book is just the beginning of a time capsule that will hopefully sustain those connections for fifty five more years to come - and beyond!

I want to specifically highlight the efforts and dedication of a handful of people who have significantly helped with this project, and in doing so made it infinitely better than if I had attempted it alone. Thank you for helping create and develop what will hopefully grow to be a crucial component of Pleasant Valley history.

First: the 2017 Pleasant Valley Leaders-in-Training:
Tatiana Agostino, Carmen Babecki, Sophia Braun, Iona Cotton, Gabby Daniele, Nicole Francis, Amanda Fucci, Emily Giguere, Amelia "AJ" Herlong, Eva Herrick, Anna Kuklinski, Ines Lantero, Alice Lortie, McKenzie Lyons, Charlie Marchand, Amelia Marcheski, Marina O'Callahan, Lizzie Olson, Florence "Flojo" Painchaud, Anna Parsons, Amelie Racicot, Audrey Schmieta, Frieda Walsh-Seaman, & Cameron Walker

Thank you for enthusiastically taking this on as your legacy project. Your dedication, care, and hard work created this songbook from the ground up. Without you, this book wouldn't exist - wherever life takes you and whoever you become in the years to come, I hope this book helps remind you of the power you each have to leave a legacy anywhere and everywhere you go.

To Elise Augenstern, Sofia Boswell, Eva Gach, Anna Kuklinski, Haylee Manning, Katie McCarthy, Jen Mitchell, Isa Rosa Moreno, Jesse Shamon, Ashwini "Shweenz" Shinde, Jenny Tamkin, Allen Veldwisch, & Emmaline Willis: *Thank you for giving your time and energy selflessly to work on any number of camp projects, including this one! I couldn't have possibly done this without your help.*

To Beth Dales, Eva Gach, Kate Lemay: *Thank you for supporting this project from start to finish, as well as for all the support you've given our campers, staff, and alumni throughout their journeys at camp and beyond.*

And to everyone who ever has joined in or ever will join in on a camp song in the dining hall, at a final night campfire, or anywhere in between, and through that experienced a taste of what it means to be part of the Pleasant Valley community: *this is for you!*

PVC Song

By Christine Carpenter & Rebecca 'Fork' MacInnes, Summer 2016

There's a place that I know
Where all the children go
Where they can learn to grow,
learn to be

It's a place in the woods
Where the sun is bright and
the living's good
It's my home away from
home, Pleasant Valley

PVC, PVC, home of that
bright birch white and
forest green
Take me and guide me,
In two weeks you just might
find me
That much closer to who I'm
supposed to be
Here's to you, PVC

Now it's the end of July
Oh how the summer flies
As I'm running out of time,
I always carry with me

PVC, PVC, home of that
bright birch white and
forest green
Take me and guide me
In two weeks you just might
find me
That much closer to who I'm
supposed to be
Here's to you, PVC

The days, they grow shorter
And nights, they grow colder
You know the end is near

But I won't be afraid
I won't shed a tear
I don't worry about the
endings when there's always
more here
Like the sad song the loon
is singing
As the sunset turns to navy
When the nighttime of my
year is about to begin

I think back to the morning
I can still hear the bell ringing
Telling me another
beautiful day is calling me
One more day, singing

PVC, PVC, home of that
bright birch white and
forest green
Take me and guide me
In two weeks you just might
find me
That much closer to who I'm
supposed to be

You know you made me who
I'm supposed to be

Here's to you, PVC

Peace & Taps

Peace

Peace, I ask of thee, oh river,
Peace, peace, peace
When I learn to live serenely,
Cares will cease
From the hills I gather courage,
Visions of the days to be
Strength to lead and faith to follow,
All are given unto me
Peace, I ask of the oh river
Peace, peace, peace

Taps

Day is done,
Gone the sun,
From the lakes, from the hills, from the sky
All is well, safely rest,
God* is nigh

**Traditionally "God", but participants can replace with "Love" or "Earth" based on personal preference*

We sing Peace & Taps almost every night at camp in our Friendship Circle. They are two separate songs, but we sing them together.

Billboard Song

I was walking down the street
One dark and dreary day
When I came across a billboard
And much to my dismay
The sign was torn and tattered
From the storm the night before
The wind and rain had done its job
And this is what I saw...

Smoooke Coca-Cola cigarettes
Drink Wrigley-Spearmint beer
Ken-L Ration dog food makes your wife's complexion clear
Simoniz your baby with a Hershey's candy bar
Texaco's a beauty cream that's used by all the stars

Sooo...(begin fast-paced clapping)
Take your next vacation in a brand-new Frigidaire
Learn to play the piano in your granny's underwear
Doctors say that babies should smoke 'til they are three
And people over 65 should bathe in Lipton tea
With flow through teabaaaaaaaaaags

Black Socks

*Sung in a round - each of three groups sings the 3 verses twice,
then continues to sing the 3rd verse until everyone sings the 3rd
verse together*

Black socks, they never get dirty
The longer you wear them
The blacker they get

Sometimes I think I should wash them
But something inside me
Keeps saying not yet

Not yet, not yet, not yet, not yet
Not yet, not yet, not yet, not yet

Boom Chicka Boom *Repeat After Me Song*

I said a boom chicka boom (I said a boom chicka boom)

I said a boom chicka boom (I said a boom chicka boom)

The Cannibal King

The cannibal king with the big brass ring
Fell in love with the dusty ma-ai-aid
And every night by the pale moonlight
It sounded like this to me-e-e

Ba-roomph da di da di dey-ey-ey
And every night by the pale moonlight
It sounded like this to me-e-e

If you'll be M-I-N-E mine, I'll be T-H-I-N-E thine
And I'll L-O-V-E love you all the T-I-M-E time

You are the B-E-S-T best of all the R-E-S-T rest
And I'll L-O-V-E love you all the T-I-M-E time

We'll build a bungalow, big enough for two
Big enough for two, Oh honey, big enough for two

And when we're married! Happy we'll be
Under the bamboo, under the bamboo tree (*Clap*)

Canoe Song

Just a friend and a friend* in a little canoe
With the moon shining all around
And they paddled and they paddled so
You couldn't even hear a sound
And they talked and they talked 'till the moon grew dim
He said "you better *kiss noise* or get out and swim"

So whatcha gonna do in a little canoe
With the moon shining all a-
Boats floating all a-
Girls swimming all a-round
Get out and swim!

**Traditionally "a boy and a girl", but participants can sing based on their preferences*

and knocked me out of bed

Catch a whiffer-whoffer
by his toe

And if he hollers-hollers-hollers,
let him go I’m singing,

It was sad when the great ship when down

Chorus:

It was sad, it was sad, it was sad (too bad!)

It was sad when the great ship went down
(to the bottom of the....)

(½ camp sings this, while the other half sings "seaaa")

Husbands and wives, little children lost their lives

It was sad when the great ship went down.

Oh they were not far from shore,
When they heard that mighty roar
And the rich refused to associate with the poor
So they put them down below, where they'd be the first to go,
It was sad when the great ship went down

Chorus

Thee boat was about to sink, and the sides about to burst

When the captain shouted, "Women and children first!"

The captain tried to wire, but the lines were all on fire

It was sad when the great ship went down.

Chorus

Oh, they swung the lifeboats out

O'er the deep and raging sea,

When the band struck up with, "Nearer My God to Thee."

Little children wept and cried as the waves swept o'er the side,

It was sad when the great ship went down

Chorus

Oh, the moral of this story is very clear to see.

Always wear a life-preserver when you go out to sea!

So if your ship goes down, you will never, ever drown,

It was sad when the great ship went down.

Chorus

What Can Make a Hippopotamus Smile

What can make a hippopotamus smile?
What can make him walk more than a mile?

It's not a party with paper hats
or a box of chocolates that makes him fat
That's not what hippos do!

They ooze through the gooze without any shoes
They wade in the water til their lips turn blue
That's what hippos do!

What can make a hippopotamus smile?
What can make him walk more than a mile?

It's not a tune on the old violin,
or listening to the whistling wind
That's not what hippos do!

They ooze through the gooze without any shoes
They wade in the water til their lips turn blue
That's what hippos - yeah that's what hippos -
Yeah that's what hippos do!

Final Night Campfire Songs

Barges

Out of my window, looking in the night
I can see the barges flickering light
Silently flows the river to the sea,
As the barges too go silently

Barges, I would like to go with you
I would like to sail the ocean blue
Barges, have you treasure in your hold?
Do you fight with pirates brave and bold?

Out of my window, looking in the night
I can see the barges flickering light
Starboard shines green and port is glowing red
I can see the barges just ahead

Barges, I would like to go with you
I would like to sail the ocean blue
Barges, is there a treasure in your hold?
Do you fight with pirates brave and bold?

Blackbird

The Beatles

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free

Blackbird fly, blackbird fly
Into the light of the dark black night

Blackbird fly, blackbird fly
Into the light of the dark black night

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
You were only waiting for this moment to arise
You were only waiting for this moment to arise

Count on Me

Bruno Mars

If you ever find yourself stuck in the middle of the sea,
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see,
I'll be the light to guide you

We'll find out what we're made of
When we are called to help our friends in need

Chorus:

You can count on me like one two three, I'll be there
And I know when I need it, I can count on you
like four three two, and you'll be there
'Cause that's what friends are supposed to do, oh yeah
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh, ooh, yeah, yeah

If you're tossin' and you're turnin' and you just can't fall asleep
I'll sing a song beside you
And if you ever forget how much you really mean to me
Everyday I will remind you

We'll find out what we're made of
When we are called to help our friends in need

Chorus

You'll always have my shoulder when you cry
I'll never let go, never say goodbye
You know

Chorus

You can count on me 'cause I can count on you

Country Roads

John Denver

Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, growin' like a breeze

Chorus:

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

All my memories gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

Chorus

I hear her voice in the mornin' hour, she calls me
The radio reminds me of my home far away
Drivin' down the road, I get a feelin'
That I should've been home yesterday, yesterday

Chorus x 2

Take me home, down country roads
Take me home, down country roads

For Good *from "Wicked"*

I've heard it said
That people come into our lives
For a reason
Bringing something we must learn
And we are led to those
Who help us most to grow
if we let them
And we help them in return
Well, I don't know if I believe
that's true
But I know I'm who I am today
Because I knew you

Like a comet pulled from orbit
As it passes the sun
Like a stream that meets a
boulder
Halfway through the wood
Who can say if I've been changed
for the better
But because I knew you
I have been changed for good

It well may be
That we will never meet again
In this lifetime
So, let me say before we part
So much of me
Is made of what I learned from
you
You'll be with me
Like a handprint on my heart
And now whatever way our
stories end
I know you have rewritten mine
By being my friend

Like a ship blown from its
mooring
By a wind off the sea
Like a seed dropped by a sky bird
In a distant wood
Who can say if I've been changed
for the better
But because I knew you

Because I knew you
I have been changed for good

And just to clear the air
I ask forgiveness
For the things I've done, you
blame me for

But then, I guess
We know there's blame to share

And none of it seems to matter
anymore
Like a comet pulled from orbit (like
a ship blown from its mooring)
As it passes the sun
(by a wind off the sea)
Like a stream that meets a
boulder (like a seed dropped
by a bird)
Halfway through the wood
(in the wood)
Who can say if I've been changed
for the better
I do believe I have been changed
for the better

And because I knew you
Because I knew you
Because I knew you
I have been changed
For good

If I Had A Hammer

Pete Seeger / Lee Hays

Sung slowly & softly - unlike the dining hall version

If I had a hammer, I'd hammer in the morning
I'd hammer in the evening all over this land
I'd hammer out danger, I'd hammer out a warning
I'd hammer out love between my brothers and my sisters
All over this land, oh

If I had a bell, I'd ring it in the morning
I'd ring it in the evening all over this land
I'd ring out danger, I'd ring out a warning
I'd ring out love between my brothers and my sisters
All over this land, oh

If I had a song, I'd sing it in the morning
I'd sing it in the evening all over this land
I'd sing out danger, I'd sing out a warning
I'd sing out love between my brothers and my sisters
All over this land, oh

Well, I've got a hammer, and I've got a bell
And I've got a song to sing all over this land
It's the hammer of justice
It's the bell of freedom
It's a song about love between my brothers and my sisters
All over this land

It's a hammer of justice
It's a bell of freedom
It's a song about love between my brothers and my sisters
All over this land

In My Life

The Beatles

There are places I'll remember
All my life though some have changed
Some forever not for better
Some have gone and some remain

All these places had their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

In my life I love you more

I Love The Mountains

Can be sung as a round

I love the mountains, I love the rolling hills
I love the flowers, I love the daffodils
I love the fireside, when all the lights are low
Boom dee yadda, boom dee yadda
Boom dee yadda, Boom dee yadda boom

Kumbaya

Kumbaya my Lord, kumbaya
Kumbaya my Lord, kumbaya
Kumbaya my Lord, kumbaya
Oh Lord, kumbaya

Someone's singing Lord, kumbaya
Someone's singing Lord, kumbaya
Someone's singing Lord, kumbaya
Oh Lord, kumbaya

Someone's laughing, Lord, kumbaya
Someone's laughing, Lord, kumbaya
Someone's laughing, Lord, kumbaya
Oh Lord, kumbaya

Someone's crying, Lord, kumbaya
Someone's crying, Lord, kumbaya
Someone's crying, Lord, kumbaya
Oh Lord, kumbaya

Someone's praying, Lord, kumbaya
Someone's praying, Lord, kumbaya
Someone's praying, Lord, kumbaya
Oh Lord, kumbaya

Someone's sleeping, Lord, kumbaya
Someone's sleeping, Lord, kumbaya
Someone's sleeping, Lord, kumbaya
Oh Lord, kumbaya
Oh Lord, kumbaya

Lean on Me

Bill Withers

Sometimes in our lives
We all have pain
We all have sorrow
But if we are wise
We know that there's
Always tomorrow

Lean on me,
when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need
Somebody to lean on

Please swallow your pride
If I have things
You need to borrow
For no one can fill
Those of your needs
That you won't let show

You just call on me brother
When you need a hand
We all need somebody
to lean on

I just might have a problem
That you'll understand
We all need somebody
to lean on

Lean on me,
when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need
Somebody to lean on

You just call on me sister
When you need a hand
We all need somebody
to lean on

I just might have a problem
That you'll understand
We all need somebody
to lean on

If there is a load
You have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

If you just call me (call me)
If you need a friend (call me)
call me uh huh (call me)
If you need a friend (call me)
If you ever need a friend
(call me)

Leaving on a Jet Plane

John Denver

All my bags are packed, I'm ready to go
I'm standin' here outside your door
I hate to wake you up to say goodbye
But the dawn is breakin', it's early morn
The taxi's waitin', he's blowin' his horn
Already I'm so lonesome I could die

Chorus:

So kiss me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
'Cause I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Ev'ry place I go, I'll think of you
Ev'ry song I sing, I'll sing for you
When I come back, I'll bring your wedding ring

Chorus

Now the time has come to leave you
One more time, let me kiss you
Then close your eyes and I'll be on my way
Dream about the days to come
When I won't have to leave alone
About the times, I won't have to say

Chorus

But, I'm leavin' on a jet plane
Don't know when I'll be back again
Oh babe, I hate to go

Linger

Mmm, I want to linger, Mmm, a little longer
Mmm, a little longer here with you

Mmm, it's such a perfect night.
Mmm, it doesn't seem quite right
Mmm, that this should be my last with you

Mmm, and come September, Mmm, I will remember,
Mmm, our camping days and friendships true

Mmm, and as the years go by, Mmm, I'll think of you and sigh
Mmm, this is good night and not goodbye

Mmm I want to linger, Mmm a little longer.
Mmm a little longer Here with you.

Make New Friends

Make new friends,
but keep the old.
One is silver,
the other's gold.

A circle is round,
it has no end.
That's how long,
I want to be your friend.

I have a friend
And she has another
Put them together,
We have each other.

Make new friends,
but keep the old.
One is silver,
the other's gold.

New Hampshire Song

When I wake up in the morning
Where the purple lilacs grow
And the sun comes a-peepin'
Through the window where I'm sleepin'
And the songbirds sing, "hello!"

I want to wander through wildwood
Where the fragrant breezes blow
And I drift back to New Hampshire
Where the purple lilacs grow

One Tin Soldier *Dennis Lambert / Brian Potter*

Listen, children, to a story
That was written long ago
'Bout a kingdom on a mountain
And the valley-folk below

On the mountain was a treasure
Buried deep beneath the stone
And the valley-people swore
They'd have it for their very own

Chorus:

Go ahead and hate your neighbor
Go ahead and cheat a friend
If you do it in the name of heaven
You can justify it in the end
There won't be any trumpets blowing
Come the judgment day
On the bloody morning after
One tin soldier rides away

So the people of the valley
Sent a message up the hill
Asking for the buried treasure
Tons of gold for which they'd kill

Came an answer from the kingdom
With our brothers we will share
All the secrets of our mountain
All the riches buried there

Chorus

Now the valley cried with anger
"Mount your horses! Draw your swords!"
And they killed the mountain people
So they won their just reward

Now they stood beside the treasure
On the hillside, dark and red
Turned the stone and looked beneath it
"Peace on Earth" was all it said

Chorus x 2

Stand By Me

Ben E. King

When the night has come
And the land is dark
And the moon is the only light we'll see

No, I won't be afraid
Oh, I won't be afraid
Just as long as you stand
Stand by me

So darlin', darlin', stand by me
Oh, stand by me
Oh, stand
Stand by me, stand by me

If the sky that we look upon
Should tumble and fall
Or the mountain should crumble to the sea
I won't cry, I won't cry
No, I won't shed a tear
Just as long as you stand
Stand by me

And darlin', darlin', stand by me
Oh, stand by me
Oh, stand now
Stand by me, stand by me
(repeat chorus)

Whenever you're in trouble won't you stand by me
Oh, stand by me
Oh stand by me, stand by me, stand by me

Darlin', darlin', stand by me, stand by me
Oh stand by me, stand by me, stand by me

The Rose

Bette Midler

Some say love, it is a river
That drowns the tender reed
Some say love, it is a razor
That leaves your soul to bleed

Some say love, it is a hunger
An endless aching need
I say love, it is a flower
And you, its only seed

It's the heart, afraid of breaking
That never learns to dance
It's the dream, afraid of waking
That never takes the chance

It's the one who won't be taken
Who cannot seem to give
And the soul, afraid of dying
That never learns to live

When the night has been too lonely
And the road has been too long
And you think that love is only
For the lucky and the strong

Just remember in the winter
Far beneath the bitter snows
Lies the seed that with the sun's love
In the spring becomes the rose

Good Riddance (Time of Your Life)

Green Day

Another turning point, a fork stuck in the road
Time grabs you by the wrist, directs you where to go
So make the best of this test, and don't ask why
It's not a question, but a lesson learned in time

It's something unpredictable,
but in the end it's right
I hope you had the time of your life

So take the photographs, and still-frames in your mind
Hang them on a shelf in good health and good time
Tattoos of memories and dead skin on trial
For what it's worth, it was worth all the while

It's something unpredictable,
but in the end it's right
I hope you had the time of your life

It's something unpredictable,
but in the end is right
I hope you had the time of your life

It's something unpredictable,
but in the end is right
I hope you had the time of your life

Today *John Denver*

Today, while the blossoms still cling to the vine
I'll taste your strawberries, I'll drink your sweet wine
A million tomorrows shall all pass away
'Ere I forget all the joy that is mine, today

I'll be a dandy, and I'll be a rover
You'll know who I am by the songs that I sing
I'll feast at your table, I'll sleep in your clover
Who cares what tomorrow shall bring

Today, while the blossoms still cling to the vine
I'll taste your strawberries, I'll drink your sweet wine
A million tomorrows shall all pass away
'Ere I forget all the joy that is mine, today

I can't be contented with yesterday's glory
I can't live on promises winter to spring
Today is my moment, now is my story
I'll laugh and I'll cry and I'll sing

Today, while the blossoms still cling to the vine
I'll taste your strawberries, I'll drink your sweet wine
A million tomorrows shall all pass away
'Ere I forget all the joy that is mine, today

Today, while the blossoms still cling to the vine
I'll taste your strawberries, I'll drink your sweet wine
A million tomorrows shall all pass away
'Ere I forget all the joy that is mine, today

Yesterday

The Beatles

Yesterday

All my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Suddenly

I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Why she had to go?

I don't know, she wouldn't say
I said something wrong.
Now I long for yesterday

Yesterday

Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go?

I don't know, she wouldn't say.
I said something wrong.
Now I long for yesterday.

Yesterday

Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

You've Got A Friend *James Taylor*

When you're down and troubled
And you need some lovin' care
And nothin', nothin' is goin' right
Close your eyes and think of me and soon I will be there
To brighten up even your darkest night

You just call out my name
And you know, wherever I am
I'll come runnin', to see you again
Winter, spring, summer or fall, all you have to do is call
And I'll be there
You've got a friend

If the sky above you grows dark and full of clouds
And that old north wind begins to blow
Keep your head together, and call my name out loud
Soon you'll hear me knockin' at your door

You just call out my name
And you know, wherever I am
I'll come runnin', runnin', yeah, yeah, to see you again
Winter, spring, summer or fall, all you have to do is call
And I'll be there, yes, I will
Now, ain't it good to know that you've got a friend

People can be so cold
They'll hurt you, yes, and desert you
And take your soul if you let them
Oh, but don't you let them

You just call out my name
And you know, wherever I am
I'll come runnin', runnin', yeah, yeah, to see you again
Oh baby, don't you know about
Winter, spring, summer, or fall,
hey now, all you have to do is call
Lord, I'll be there, yeah, yeah
You've got a friend. You've got a friend, yeah
Ain't it good to know you've got a friend
Ain't it good to know you've got a friend
Oh, yeah, yeah, you've got a friend

You've Got A Friend In Me (Toy Story)

Randy Newman

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me

Yeah, you've got a friend in me
You've got a friend in me
You've got a friend in me
You got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together and see it through
'Cause you've got a friend in me

You've got a friend in me
Some other folks might be
A little bit smarter than I am
Bigger and stronger too, maybe
But none of them will ever love you
The way I do
It's me and you, girl

And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me
